The "O. N. T." manufacturers were the first to recognize the importance of the Sewing Machine and to make a six-cord cotton, which has ever since been the recognized standard for machines.

All the improvements in machinery that the inventive genius of the nineteenth century has produced have been adapted by the manufacturer of "O. N. T."

At all the great International Fairs of the world, "O. N. T." has been awarded the highest honors.

The "O. N. T." factories at Newark, N. J., and Paisley, Scotland, employ 5,200 operatives — make sufficient thread daily to go around the world four times.

Good Reasons for the Doctor's Faith. We have for twelve months been prescribing S. S. S. ("Swift's Syphillite Specific") in the treatment of Syphills and many other diseases for which it is recommended, and are frank to say, that the results have been most satisfactory, not having been disappointed in a single instance. We think, for all the diseases for which it is recommended, it stands without a peer, and that the medical profession will, sooner or later, be forced to acknowledge it in the treatment of Syphilis, in all stages as a sine qua non.
